Commissioner for Patents  
P.O. Box 1450

This submission is in response to the PTO "Response to Request for Corrected Filing Receipt" mailed August 18, 2004, a copy of which is enclosed (Attachment No. 1).

Applicants resubmit their Petition to Correct Filing Date (Attachment No. 2) originally mailed July 8, 2004, with a copy of the patent application transmittal and express mail label stamped January 28, 2004.

The August 18, 2004 PTO communication incorrectly indicates that (a) a copy of the Express Mail label was not enclosed and (b) a petition fee is needed. To the contrary, a copy of the Express Mail Receipt was attached to Applicant's petition, resubmitted herewith.

The August 18, 2004 PTO communication also incorrectly states that a petition fee is needed. The Patent Office has now charged counsel's deposit account twice for the same \$130 petition fee, once on July 15, 2004 and a second time on August 26, 2004, as shown below:

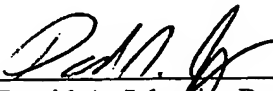

Date	Sequence	Posting Ref.	Atty Docket	Fee Code	Amount
07/15	12	10767218	009584-0307530	1460	\$130
08/26	10	10767218	009584-0307530	1460	\$130

Applicants renew their petition to correct the Filing Date from January 29, 2004 to **January 28, 2004** necessitated by Patent Office error and request a Corrected Filing Receipt.

Since two petition fees have already been paid, Counsel requests that the Commissioner credit deposit account 50-2213 for one petition fee in the amount of \$130, as a result of charging duplicate petition fees for the same petition.

Applicants petition to correct the Filing Date from January 29, 2004 to **January 28, 2004**. The incorrect filing date appearing on the Filing Receipt is due to Patent Office error.
